Chapter 1 by Alex Erickson

For this story you are to write a paragraph about what you would want to be. It can be anything. But there is one rule. You can't be invincible or live forever. That's the only exception. For example,

I want to be a white tiger. Then I would explain why, maybe add a fun twist to it. It's up to you, good luck. :)

Chapter 2 by carley

I would want to be a fairy. I would soar above the clouds flying around birds and being up in the trees. I would live in a fairy village helping those who needed help. I would have a horse like Pegasus and we would zoom over the clouds. This would be my life helping and seeking and making dreams come true.

Chapter 3 by carley

I would be a whale

Chapter 4 by G-racer

I would be a piece of dirt getting stepped on all of the time because my stories are way better than some other peoples on story wars and mine does get voted for! (Heavy breathing).... Whooooo, I feel better now.
